3-i ICT – 3rd call for candidates

1 Final list of admitted applications

1.1 2024-C3-001. Addressing challenging optimization problems in cell signalling networks with High Performance Computing and Cloud-based approaches

Reference	Name and surname initials
220	K.S

1.2 2024-C3- 002. Supporting the European green transition by combining artificial intelligence methodology and psychological behaviour models

Reference	Name and surname initials

1.3 2024-C3-003. Mathematical modelling and numerical simulation of adhesive joints for naval steel

Reference	Name and surname initials

1.4 2024-C3- 004. Augmentative and Alternative Educational Technology for Executive Functioning in Children with Autism

New reference	Name and surname initials

1.5   2024-C3- 005. Modelling complex biological phenomena via inverse optimal control and inverse reinforcement learning

New reference	Name and surname initials
220	K.S.
222	S.S.
226	S.

1.6   2024-C3- 006. Distributed and parallel algorithms for inference of cell lineage trees

New reference	Name and surname initials
220	K.S.
222	S.S.
223	A.G.

1.7   2024-C3- 007. Software Engineering and Data Science Techniques for Urban Building Energy Modeling

New reference	Name and surname initials
220	K.S.

1.8   2024-C3- 008. Virtual Reality in Pediatric Surgical Care, Communication, and Education

New reference	Name and surname initials
225	A.R.

2   Provisional list of rejected applications

PhD project	Name and surname initials	Motive of rejection
2024-C3-002	A.M	1
2024-C3-004	A.M.	1
2024-C3-005	A.A.	1
2024-C3-008	A.M.	1

Motives for rejection:

1. Does not comply with the Early-Stage Researcher stipulation.
2. Does not comply with the MSCA Mobility rule.
3. Submitted after the deadline.

A Coruña, 13 November 2024
